

Conrad, Montana

The Land Use Plan section of the Growth Policy provides a general view of future land use for (Conrad/Valley) over the next 20 years. The Land Use Plan organizes all the expected future growth, development, and redevelopment into a pattern that is consistent with the (City/County's) Vision Statement and Goals. The plan represents how (Conrad/Valley) should develop over the next 20 years by showing the locations and characteristics of major land use types, such as downtown, commercial, residential, and so forth.

This map was prepared March 2011 by Global Positions, LLC. Future land use concepts developed by MHI Planning. Additional Spatial data (base maps) were obtained from the Montana Geographic Information Clearinghouse - (NRIS).
